

TECHNICAL DATA

Fluke 5.5 MM Scope with 0.7 M Articulating Camera Probe

Key features

- 180 degrees of articulation
- 5.5mm diameter designed to pass through spark plug and injector ports
- High resolution camera, 1280 x 720 (720p)
- Great for a complete valve inspection

Product overview: Fluke 5.5 MM Scope with 0.7 M Articulating Camera Probe

The Fluke 5.5mm articulating imager is compatible with the Fluke DS703 FC Video Borescope. The high-definition camera head provides great resolution at 1280 x 720 and the articulating head can bend up to 180°, which makes inspections in tough to reach areas easier.
